IOWA FINANCE AUTHORITY ANNOUNCES MORE THAN \$83.7 MILLION TO BUILD AND PRESERVE 523 AFFORDABLE HOUSING UNITS

**Affordable Housing Projects to Move Forward in Appanoose, Clay, Dallas, Lee,
Linn, Polk, Scott, Sioux, Union Counties**

DES MOINES – The Iowa Finance Authority (IFA) Board of Directors today announced federal Housing Tax Credit and HOME program awards to thirteen affordable rental projects totaling more than \$83.7 million to build and preserve 523 affordable housing units in nine Iowa counties.

“The tax credit and HOME program awards announced today will improve affordable housing options in communities all across Iowa, ultimately enhancing the quality of life for thousands of Iowans,” said Iowa Finance Authority Executive Director Dave Jamison. “These projects have leveraged an additional \$8 million in local contributions, and each of these communities will see the far-reaching benefits of these projects for generations to come.”

Housing Tax Credits

The Internal Revenue Service makes an annual per capita allocation of federal tax credits to each state for the Housing Tax Credit program. IFA is charged with allocating those credits to developers of affordable housing in Iowa. Developers who receive tax credits sell them to investors to generate equity for the housing developments. The tax credits provide a dollar-for-dollar reduction to the investor’s federal tax liability on ordinary income.

IFA had more than \$7.8 million to allocate in the 2015 Tax Credit Round. IFA received 23 applications requesting more than \$13.2 million in Housing Tax Credits. The IFA Board of Directors today awarded more than \$7.8 million in Housing Tax Credits to thirteen projects. The actual awards exceed \$78 million because the credits are committed annually for a 10-year period.

HOME Program

The U.S. Department of Housing and Urban Development allocates HOME program funding among states and hundreds of localities nationwide. IFA allocates Iowa's allocation of HOME funds to eligible entities to build and preserve affordable housing.

The IFA Board of Directors today approved more than \$4.9 million in state HOME funds to support six rental housing tax credit projects.
